NOTICE
Declaration of Phase III Water Shortage

The District's Governing Board has a modification to Water Shortage Order No. SWF 25-015. A Modified Phase III water shortage will be in effect Districtwide beginning April 3, 2026, through July 1, 2026.

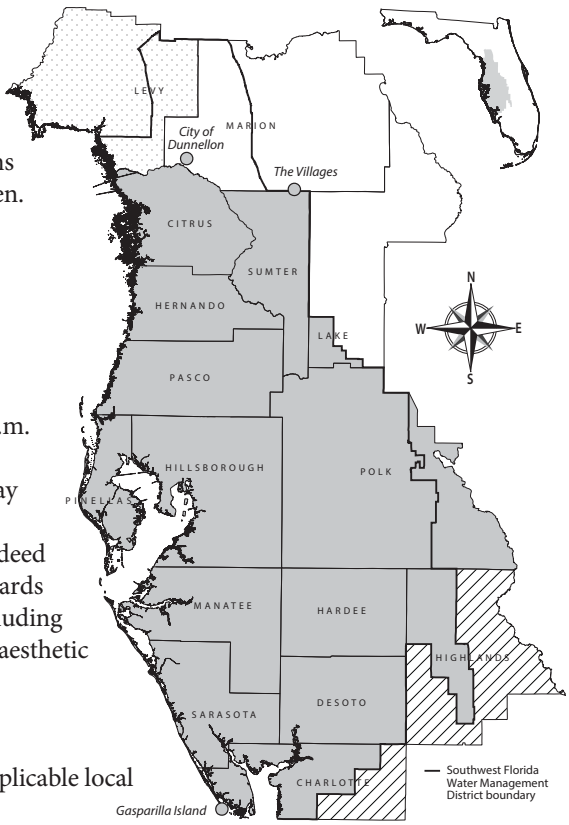

WHAT DOES THIS MEAN?

Water resource conditions are abnormally dry and may get worse before they start to improve. In addition to alerting the public, conditions warrant requiring certain actions be taken.

SUMMARY OF RESTRICTIONS & OTHER REQUIREMENTS:

Effective April 3, 2026

- Everyone is under one-day-per-week watering restrictions until July 1, 2026
- Watering hours are reduced to 12:01 a.m. to 4 a.m. or 8 p.m. to 11:59 p.m.; properties less than one acre in size may only use one of these windows
- No HOA or other entity shall enforce deed restrictions or other community standards requiring an increase in water use, including replacement of plant material to meet aesthetic standards or pressure washing
- A full list of restrictions is provided at *WaterMatters.org*
- Water utilities, in consultation with applicable local enforcement agencies, must:
  - Implement Phase III water conservation efforts, including customer education about the current water shortage and ways to conserve water
  - Increase their enforcement efforts, including responding to citizen complaints, and monitoring water use through patrols or customer records
  - Starting 14 days after the effective date of the water shortage order, utilities and other local enforcement officials are to issue citations first without issuing a warning
